WOMAN-OWNED COMMERCIAL REAL ESTATE FIRM RECENTLY FORMED

Dallas, TX –February 1, 2008– Michelle Hudson, CCIM and Janice Peters, CCIM have joined together to create Hudson Peters Commercial. This woman owned and led company currently has three other agents; Scott Jackson, Sheila Bellinger, SIOR and Cincha Kostman. They are actively pursuing additional personnel. They are expanding their current office space at Granite Tower to accommodate their growth.

Hudson Peters Commercial was formed at the beginning of the year. Michelle and Janice are known for their expertise in the office, industrial and investment commercial real estate markets. With the addition of new agents they are building a firm that offers a full range of commercial real estate services. Michelle Hudson, Principal and President noted: “We have made a conscience decision to affiliate with the best in class, like-minded people. All of our agents are highly regarded and extremely well qualified in their area of expertise.”

Janice Peters, Principal, added: “Our clients expect their real estate advisor be at the very top of the game. They want to work with someone who is at their level—very smart, resourceful, and strategic in their thinking. All of our agents have their CCIM or SIOR designation or are in the process of achieving it.”

Michelle added, “Many of our clients and decision makers encouraged us to take this next professional step. We were at a point where it was time for us to take on the responsibility of ownership. We are building a platform that provides our clients with the best service possible. Janice remarked: “We were mentored by some of the very best leaders in the business. It’s our turn to take what we learned and add to it. Affiliating with people who have the same high level of integrity and service oriented drive brings everyone’s level of performance up—ultimately benefiting the client.”

Prior to their new partnership Michelle and Janice had started the Burr & Temkin Commercial office in Dallas and previously both had been top producers for Henry S. Miller Commercial Realty.
